-あと 10 社のご参加が実施に必要です-

既に会員皆様にはご案内済にて、申し込み済の会員企業殿に於かれましては本件ご放念ください。

JACTIM 会員企業からの優秀人材、STEM 系人材確保のニーズを受けて、昨年よりマレーシア国内ラン キング第二位の UPM と調整を進めて参り、この度 7月13日(木)及び 17日(月)に UPM 大学卒業予定生徒とのリクルートフェアを行う事となりました。参加学生はビジネス学部等から約 200 名(13 日)、工学部及び大学院生約 500 名(17 日)で、特に 17 日は全工学部生が個別ブースでの卒業研究プレゼンに JACTIM 会員企業の参加が許されており、その場での学生評価に基づき就職面談を進めることができます。又、HR や産学連携についての学長、副学長等 UPM トップとの懇談の場も設けられております。

※この就職イベントは、学生の卒研発表に参加しその内容や説明で入社候補として選べるという大変画期的な、UPM と JACTIM の初のコラボ企画就職イベントです。JACTIM 会員企業限定及び 10 月の例年のキャリアフェアより早く行い、競合他社の先を行く“青田買い”日程とした為、大学側からは最小参加会社数が 15 社と定められています。6.29 の申込期限を控え 6.28 段階で参加企業 5 社の為申込期限を 7月4日としましたが、更に 10 社の企業参加数が必要です。会員皆様の当就職イベントの趣旨・内容のご理解と参加への今一度のご検討をよろしくお願い申し上げます。

申込はこちらのリンク (UPM サイト) からお願いいたします。此方の申し込みのみで 13 日オープニングイベントに併せ 17 日の工学部就職イベントの二つが同時に登録されます。尚イベント参加は 13 日、17 日両方でも片方でも構いません

July 13, 17 JACTIM Exclusive UPM Career Fair

Application Deadline Extended to July 4th

Dear member companies,

As we have already informed our members, JACTIM is holding recruitment fair with UPM graduating students. The fair will take place on July 13th (Thursday) for approximately 200 students from the Faculty of Business and related fields and on the 17th (Monday) around 500 students from the Faculty of Engineering and postgraduate programs will participate. Particularly on the 17th, all engineering students will have individual booths for their graduation research presentations (viva), and JACTIM member companies are allowed to participate.

This event not only aims to attract early talented STEM professionals but also provides an opportunity for future recruitment planning, exchanging opinions on HR and industry-academia with UPM top management including the VC, Deputy VC, and Professors.

This job fair is a groundbreaking collaboration between UPM and JACTIM, where participating companies can select potential candidates based on student viva research presentations. As it is limited to JACTIM member companies, and the university has set a **minimum participation requirement of 15 companies. As of 27th June, registration is 4 companies. We are still seeking your kind understanding and consideration for your participation of an additional more than 10 companies.*

Please register for the event through the following link (UPM). By registering here, you will automatically be registered for the engineering job fair on the 17th as well. You can choose to participate in either or both days.
